

Recuro Health

# Social Contract

01

Foster an environment of inclusion, empowerment and trust

02

Treat one another with respect and fairness

03

Empower one another to do the right thing

04

Recognize and reward the contributions of others

05

Be authentic and communicate with openness, honesty, and transparency

06

Innovate and collaborate with each other as business partners

07

Value diversity of thought, experiences, and opinions of others

08

Care about our teammates, our company & our customers and serve them well

09

Commit to others success while challenging ourselves and each other to the highest levels of performance

10

Motivate each other to live by the guiding principles of our social contract

By signing you agree to Recuro Health's Social Contract
